Mixing of Kerosene in Petrol

†113. SHRI MANOHAR KANT DHYANI: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether Government are aware of the fact that Kerosene is being widely mixed in petrol and diesel;

(b) whether it is a fact that inspite of heavy increase in gas consumers in urban areas the demand of kerosene is still increasing; and

(c) if so, the measures being taken by Governemnt to check adulteration and to extend benefit of this scheme to the really needy persons?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI E. PONNUSWAMY): (a) and (b) Kerosene is an allocated product and the annual/monthly allocation is made by the Ministry of Petroleum & Natural Gas to States/UTs. The distribution of kerosene and its monitoring within the State is the responsibility of concerned State Govt. PDS kerosene and LPG are subsidised products. Central Govt. has insisted upon State Governments to identify the ration card holders having LPG connection and delete their names from the ration cards which entitles them PDS kerosene.

(c) Oil marketing companies carry out regular/surprise checks of retail outlets, to control various malpractices including adulteration. In addition, sepcial drives are launched by the oil companies both on their own and also under direction of Government from time to time to check malpractices. To prevent adulteration various steps like blue dyeing of kerosene (PDS), furfural doping, filter paper test, stock
